

CONFIDENTIAL CONTRACTS

Prepared by Legal Department

Document ID: LEG-2024-CC-001

Last Revised: October 15, 2023

This document serves as the internal registry for high-priority commercial agreements currently under management by the Legal Department. It outlines key terms, obligations, and risk parameters for the active contracts listed below. Access to this document is restricted to authorized personnel within the Legal and Compliance divisions. Any distribution outside these departments is strictly prohibited.

1. Meridian Supply Agreement

Overview: This agreement governs the exclusive supply of raw materials to our production

facilities. The contract is structured to ensure supply chain stability and cost predictability over the

agreed term.

•**Term:** 2023-2025

•**Exclusivity clause:** Yes

•**Penalty:** \$250,000 per breach

Note: The exclusivity clause requires Meridian to source inputs exclusively from

approved vendors. Failure to adhere to this provision triggers the specified liquidated

damages clause.

2. Northwind Services Contract

Overview: This contract details the provision of IT infrastructure support and maintenance

services. Given the sensitive nature of the data involved, strict confidentiality protocols are enforced.

•**Term:** 2024-2026

•**Confidentiality:** Non-disclosure for 5 years post-termination

•**Governing law:** Delaware

Note: Disputes arising under this contract shall be resolved in accordance with the

laws of the State of Delaware. The non-disclosure obligation survives the termination of

the agreement for a period of five years.

3. Apex Data License

Overview: This license permits the processing of customer data for analytics purposes. Due to the

volume and sensitivity of the data, rigorous audit rights and liability caps have been established to

mitigate risk.

•**Scope:** Customer data processing

•**Audit rights:** Annual on-site audits

•**Liability cap:** \$5,000,000

Note: Apex must allow for annual on-site audits to verify compliance with data

handling standards. The total liability of Apex under this license is capped at five million

dollars (\$5,000,000) per incident.
