Annual Evaluation & Compensation Summary

Employee Information

Employee Name Jordan Avery

Department Operations & Logistics

Position Title Senior Operations Coordinator

Review Period January 1, 2024 – December 31, 2024

Reviewer Sarah Jenkins, Director of Operations

Performance Summary

During the 2024 review cycle, Jordan Avery has demonstrated consistent high-level performance across all key performance indicators. The overall rating for this period is **Exceeds Expectations**. This rating reflects not only the successful completion of assigned duties but also the proactive initiative taken to streamline internal workflows and improve cross-departmental communication.

Key Achievements

- Process Optimization:** Led the initiative to digitize the inventory tracking system, resulting in a 15% reduction in manual data entry errors.
- Team Leadership:** Mentored two junior coordinators, both of whom successfully completed their probationary periods and were promoted to full-time staff.
- Cost Efficiency:** Negotiated favorable terms with three primary vendors, contributing to a 5% reduction in quarterly operational costs.

Areas for Development

While performance has been outstanding, the following areas have been identified for continued growth in the upcoming fiscal year:

- Advanced data analytics training to further leverage the new inventory software.
- Increased involvement in strategic planning meetings to broaden leadership perspective.

Compensation Adjustment

Based on the performance rating of **Exceeds Expectations** and the company's annual merit increase guidelines, a **Compensation adjustment approved: 8%** has been authorized. This adjustment will be effective as of the next payroll cycle following the finalization of this review.
